

Spanish Resource Center

The screenshot shows the Spanish Resource Center website. At the top, there is a navigation bar with links for HOME, POULTRY, PIG, FEED, AMERICA LATINA (highlighted), MARKET DATA, NEWSLETTERS, CHINA, and WEBINARS. Below this is a secondary navigation bar with links for Productos, Noticias, Avicultura, Alimentos y Nutrición, Salud Aviar, Sanidad, Mercados y Negocios, America Latina Video, Centro de Recursos, and Eventos. The main content area is titled "Animal Ag Resource Center" and includes a search bar and a list of results. The first result is titled "Para secar el alimento para mascotas y para peces, no hay necesidad de hornearlo" and includes a date of 8/8/2013. The right sidebar contains a user profile for "Candi Teachman", an advertisement for "Lat Am 330 x 250 Top", and an "Events" section listing the "International Production and Processing Expo 2014".

Para secar el alimento para mascotas y para peces, no hay necesidad de hornearlo

8/8/2013 10:03:51 AM

El nuevo extrusor de corte medio de Insta-Pro permite la producción de alimentos secos y con formas, especialmente dirigidos a los fabricantes de alimentos secos para mascotas y para peces, de alta calidad.
