

### ***Opportunities at Cobb!***

**Job Title:** World Technical Services Representative

**Location:** Siloam Springs, AR

Apply for position here: <http://www.cobb-vantress.com/about-cobb/join-our-team>

#### **Summary:**

This position is responsible for evaluating poultry processing programs of new and existing Cobb customers and will be responsible for directly servicing distributors with Cobb products by assisting facilities in defining the best practices and optimizing processes throughout the customer base, with the objectives of enabling them to gain yields and improve efficiencies. This includes staying abreast of new technologies, working closely with customers, and establishing and maintaining relationships. Specific duties include establishing test procedures and working with plant personnel to validate processing tools that will positively impact operations; identify new technological advances and determining how/if they would benefit processing practices; statistically analyze plant data to validate and prove best practices; liaise with and advise U.S. and international technical service on poultry processing on new Cobb products. Other duties include: respond to all customer inquiries; compile and evaluate new techniques and management programs for poultry processing and summarize subsequent effects on current processing practices; assist in the field testing of new products; visit relevant customers regularly to collect information on poultry processing; continuously review the performance of poultry processing and revise the management guides accordingly.

#### **REQUIREMENTS:**

**Education:** Requires broad knowledge in a general professional field, normally acquired through four (4) years of college resulting in a bachelor's degree or equivalent work experience.

**Experience:** Ten (10) plus years poultry management related experience.

**Computer Skills:** Standard skills are required. This position requires in working with Excel spreadsheets and data within several other computer applications.

**Travel:** Requires EXTENSIVE domestic and international travel.

**Communication Skills:** Excellent verbal and written communication skills.

**Biosecurity:** When visiting jobsites/biosecure environments, showering before entering the facilities is required. Appropriate clothing and footwear is provided by the Company. No jewelry may be worn on the jobsites except for medical ID jewelry. Must be willing to sign an agreement to avoid any avian species (chickens, ducks, birds). The Company Animal Welfare Policy must be followed at all times.

**Physical:** Must use safe lifting techniques. While performing the duties of this job, the team member is regularly required to stand, walk, sit, use hands to touch, handle, or feel objects, tools, or controls; reach with hands and arms, balance, stoop, talk or hear. The team member must occasionally lift and/ or move up to 25 pounds. Personal Protective Equipment: When visiting facilities is expected to follow the required safety procedures and wear the required personal protective equipment.

**Supervisory:** None.
