Ovosec Pro

Fertile Egg Packer

The Ovosec Pro has a capacity of 30,000 eggs per hour.

Prinzen's Ovosec Pro is the perfect solution for accurate (99.7% points-down setting rate) and gentle setting of hatching eggs directly onto setter trays. The setter trays are automatically positioned for egg transfer and setting.

Key Features

- 99.7% points-down setting rate
- Compact and flexible - fits in any egg room
- Ideal system for breeder farms or hatcheries
- Can handle most setter tray types

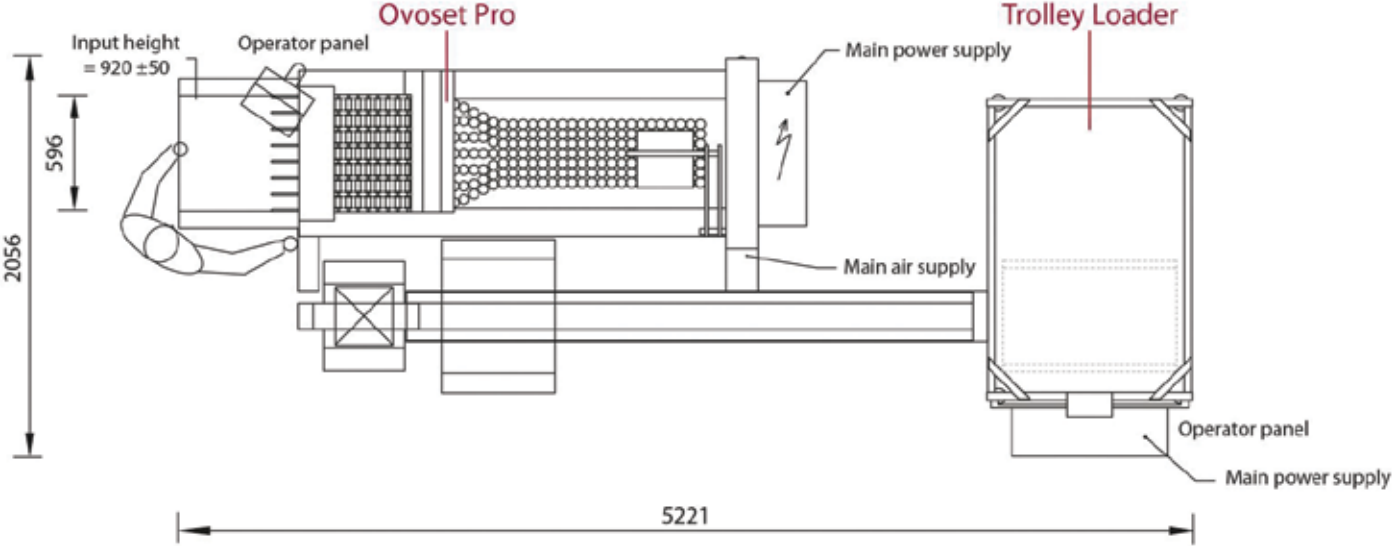

Easy Maintenance

- Stainless steel construction
- Easy access to all vital parts for fast and easy cleaning

Quality Production

- Improves hatchability
- Reduction in egg-setting operating costs
- Gentle egg handling

Product Details

Power supply adaptable to customer needs.
